A man took his old duck to the Doctor, concerned because the duck wouldn't eat.

The Doctor explained to the man that as ducks age their upper bills grow down over their lower bills and make it difficult for the animal to pick up it's food.

"What you need to do is gently file the upper bill down even with the lower bill. But you must be extra careful because the duck's nostrils are located in the upper bill and if you file down too far, when the duck takes a drink of water it'll drown."

The man goes about his business and about a week later the Doctor runs into his patient.

"Well, how is that duck of yours?" the Doctor inquires.

"He's dead." declared the heartbroken man.

"I told you not to file his upper bill down too far! He took a drink of water and drowned didn't he?" insisted the Doctor.

"No." lamented the man. "I think he was dead before I took him out of the vise."

Joke # 7

Newly married couple

A newly married couple came home from their honeymoon and moved into the upstairs apartment they'd rented from the groom's parents.

That night, his wife awakened the father of the groom from his sleep. "Tony, listen!" she whispered.

He listened. Upstairs, the bed was creaking in rhythm.

The wife said, "Come on, Tony! Let's make love!" So Tony climbed on top of his wife, and pounded the old bone home.

As he was trying to fall back asleep 15 minutes later, the bed upstairs started creaking in rhythm again. "Come on, Tony!" said the wife. "Let's make love again!"

Once again, Tony climbed on top of his wife and screwed her as hard as he could.

As he was trying to fall back asleep 15 minutes later, the bed upstairs started creaking in rhythm again. "Come on, Tony!" said the wife. "Let's do it again!"

So Tony grabbed a broom and pounded on the ceiling as he shouted, "Hey, kids, cut it out! You're killing your old man down here!"

Academic bullshit phrases completed

The following list of phrases and their definitions might help you understand the fuzzy language of science and medicine. These special phrases are also applicable to anyone reading a PhD dissertation or academic paper.

"IT HAS LONG BEEN KNOWN"...

I didn't look up the original reference.

"A DEFINITE TREND IS EVIDENT"...

These data are practically meaningless.

"WHILE IT HAS NOT BEEN POSSIBLE TO PROVIDE DEFINITE ANSWERS TO THE QUESTIONS"...

An unsuccessful experiment but I still hope to get it published.

"THREE OF THE SAMPLES WERE CHOSEN FOR DETAILED STUDY"...

The other results didn't make any sense.

"TYPICAL RESULTS ARE SHOWN"...

This is the prettiest graph.

"THESE RESULTS WILL BE IN A SUBSEQUENT REPORT"...

I might get around to this sometime, if pushed/funded.

"IN MY EXPERIENCE"...

Once.

"IN CASE AFTER CASE"...

Twice.

"IN A SERIES OF CASES"...

Thrice.

"IT IS BELIEVED THAT"...

I think.

"IT IS GENERALLY BELIEVED THAT"...

A couple of others think so, too.

"CORRECT WITHIN AN ORDER OF MAGNITUDE" ...

Wrong. Wrong. Wrong.

"ACCORDING TO STATISTICAL ANALYSIS"...

Rumor has it.

"A STATISTICALLY-ORIENTED PROJECTION OF THE SIGNIFICANCE OF THESE FINDINGS"...

A really wild guess.

"A CAREFUL ANALYSIS OF OBTAINABLE DATA"...

Three pages of notes were obliterated when I knocked over a beer glass.

"IT IS CLEAR THAT MUCH ADDITIONAL WORK WILL BE REQUIRED BEFORE A COMPLETE UNDERSTANDING OF THIS PHENOMENON OCCURS"...

I don't understand it....and I never will.

"AFTER ADDITIONAL STUDY BY MY COLLEAGUES"...

They don't understand it either.

"A HIGHLY SIGNIFICANT AREA FOR EXPLORATORY STUDY"...

A totally useless topic selected by my committee.

"IT IS HOPED THAT THIS STUDY WILL STIMULATE FURTHER INVESTIGATION IN THIS FIELD"...

I am pleased to feed you bullshit.

On the big day, a major storm forced the groom to take an alternate route to the church. The streets were flooded, so he rolled up his pants legs to keep his trousers dry.

When he finally reached the church, his best man rushed him into the sanctuary and up to the altar, just as the ceremony was starting. "Pull down your pants," whispered the pastor. "Uh, Reverend, I've changed my mind," the groom responded. "I think I would prefer the traditional service."

Joke # 6

Black eye

Little Johnny's teacher noticed that he was sporting a black eye. She asked him what happened, and he replied, "Ma'am, you remember I told you how I sleep on the floor next to my parent's bed? Well, last night, my dad asked me if I was still awake, I said yes and then he punched me in the face."

"Ok, Johnny", the teacher said, trying to help, " the next time your dad asks you if you're still awake, don't answer, just lay still and pretend to be asleep."

All went well, until a few weeks later, Little Johnny came to class with another black eye. The teacher asked him why he didn't follow her advice.

Johnny explained, "Ma'am, I tried to, when dad asked me if I was awake, I kept quiet and lay really still, and pretended to be asleep, but then Dad said 'I'm coming', and Mom said 'I'm coming too', and I didn't want them to go anywhere without me, so I shouted, 'Let me just put on my slippers, I'm coming too' and that's when I got punched in the face."

Joke # 7

Compulsive gambler

There was this 5-year-old boy named Johnny, and he was very wise in the ways of the world. His problem was that he was a compulsive gambler and couldn't resist making all these outrageous wagers.

"Hey Dad! Behind that pine tree you'll see two squirrels doing it!"

The father was understandably shocked. "Son, how could you say such things? There are no squirrels doing anything."

"Hey Dad, I just speak the facts. If I win, you pay me 5 dollars, if I lose, I pay you 10 dollars. That is a very reasonable offer."

The father agrees to the wager. They walk over to the pine tree, and sure enough two squirrels are coupling. So the father forks over the five dollars as he promised.

It so happened that September was just around the corner, and Little Johnny had to start kindergarten. Needless to say, the father did not want Johnny making his wagers with other innocent children. So he calls the kindergarten teacher to warn her of his son.

"Err... Ms. Smith, I want to tell you that my son Johnny is prone to make explicit sexual remarks and even wager money on such. Could you please disabuse him of such a filthy habit by any means necessary?"

The teacher says she will try.

So the first day of class starts. Not even five minutes pass on the first day when Little Johnny pipes up. "Hey Ms. Smith! I will bet 50 dollars that you have brown pubic hair!"

Obviously the teacher was flabberghasted by Little Johnny's remarks. She grabs his ear and hauls him to a side room. "I oughta spank you and wash out your mouth with a bar of Lava soap, you filthy little boy!"

Little Johnny took this all in stride. "Hey Ms. Smith, I just speak the facts. If I win, you don't owe me anything. If you win, I will pay you fifty dollars." Little Johnny even pulls out the wad of bills to show the teacher he is not bluffing.

Now Ms. Smith has blonde pubic hair and she is a severely underpaid kindergarten teacher. Besides, the father did request that she put an end to his wagers. What more appropriate way to end them than to prove him wrong for once in his life? So she peeks out the door to make sure nobody is at the door. She then locks the door and doffs her drawers in front of Little Johnny. Sure enough he can see that her pubic hair is blonde. Downcast he begrudgingly forks over the wad of money he bet.

"Now Johnny, I trust that you will never make any bets ever again."

Now Ms. Smith is quite proud of her little victory (and making a little change on the side). She calls up the father to tell of her success. "I am pleased to report that your son will never be wagering again." The father is quite curious as to how she did it.

"Well, err... You did say use any means necessary. Johnny bet me that I had brown pubic hair and, well... err... I proved him wrong."

"Just how did you prove Johnny wrong?!"

"Well, uhhh... I took Johnny into a side room and I showed him my genitalia." Ms. Smith was quite nervous at this point.

"That goddamn son-of-a-bitch! He bet me 100 dollars that you'd take your underwear off on the first day of class....!"

Perplexed, he went to the shallow end and tried to figure out what to do. As he stood there up to his chest in water and watched the young ladies in their bikinis, he was additionally stressed to realize that he now sported a raging hard-on.

Finally, he struck up a course of action. He jumped violently out of the water and shouted loudly, "Mad dog! Mad dog!"

Look," she said, "I'm really sorry but when I first saw you, I thought you were the father of one of my children," and walked out of the store. The guy was dumbfounded and thought to himself, "What the hell is the world coming to? Here is an attractive woman who can't keep track of who fathers her children! "

Then he got a little panicky. "I don't remember her," he thought but, *MAYBE* during one of the wild parties he had been to when he was in college, perhaps he did father her child!

He ran from the store and caught her in the parking lot and asked, "Are you the girl I met at a party in college and then we got really drunk and had wild crazy sex on the pool table in front of everyone?"

"No", she said with a horrified look on her face. "I'm your son's second grade teacher!"

Joke # 7

Xmas Letter

There was a man who worked for the Post Office whose job it was to process all the mail that had illegible addresses. One day, a letter came addressed in shaky handwriting to God, with no actual address. He thought he should open it to see what it was about. The letter read:

Dear God,

I am an 83-year old widow, living on a very small pension. Yesterday someone stole my purse. It had \$100 in it, which was all the money I had until my next pension check. Next Sunday is Christmas, and I had invited two of my friends over for dinner. Without that money, I have nothing to buy food with. I have no family to turn to, and you are my only hope. Can you please help me?

Sincerely,

Edna

The postal worker was touched. He showed the letter to all the other workers. Each one dug into his or her wallet and came up with a few dollars. By the time he made the rounds, he had collected \$96, which they put into an envelope and sent to the woman. The rest of the day, all the workers felt a warm glow thinking of Edna and the dinner she would be able to share with her friends.

Christmas came and went.

A few days later, another letter came from the same old lady to God. All the workers gathered around while the letter was opened. It read:

Dear God,

How can I ever thank you enough for what you did for me? Because of your gift of love, I was able to fix a glorious dinner for my friends. We had a very nice day and I told my friends of your wonderful gift. By the way, there was \$4 missing. I think it must have been those bastards at the Post Office.

Sincerely yours,
Edna

Why God Gave The Jews 10 Commandments

This is the little-known tale of how God came to give the Jews the Ten Commandments. God first went to the Egyptians and asked them if they would like a commandment.

"Well, it's like, THOU SHALT NOT COMMIT ADULTERY," replied God.

The Egyptians thought about it and then said, "No way. That would ruin our weekends."

So then God went to the Assyrians and asked them if they would like a commandment. They also asked, "What's a commandment?"

"Well," said God, "it's like, THOU SHALT NOT STEAL."

The Assyrians immediately replied, "No way. That would ruin our economy."

So finally God went to the Jews and asked them if they wanted a commandment. They asked, "How much?"

God said, "They're free."

The Jews said, "Great! We'll take TEN!"

Aids leaflet

Dear Sir,

I have just received the Aids leaflet through my door and would like to apply straight away for Aids. I have been on the dole for the past 10 years and have been living on Supplementary Benefit and every other State aid I could get.

It now seems I will be getting aid for sex. It's a pity this Aids has come so late, as I already have 15 children, and wondered if you will be paying back payments?

Your leaflet states that the more sex I have the more chance I have of getting Aids. My only problems here is persuading the wife, who is not too keen after 15 kids. Several years ago, I bought some sex aids, but she showed little interest and they were hardly used. Would there be any chance of a refund for the 17.28 paid out for these gadgets?

Anyway I will now explain to her that the Government will be paying us for all the sex we have, and I'm sure she'll agree that we cannot let a chance like this slip by. You also state that I can pass on my Aids, but as you will understand with a wife and 15 kids to feed, there won't be much left to pass on. If, by any chance, there is a bit left, though, I will pass it on to my poor old mother-in-law who only has her pension.

I understand from your leaflet that I can get Aids through a blood transfusion, and I intend to write to my local hospital straight away to see when I can have one. Will the Aids I get from the hospital be deducted from the Aids I get from you? Perhaps you will write and let me know?

I am a firm believer in getting every Aid I can from the country, and I'm sure you'll agree that by my past performance, I do qualify for this one. Could you let me know how much I will get paid each time, and will it be weekly or monthly payments?

Yours faithfully,

Seamus O'Toole

"I'd be right here, dad," said Jim. "The question is, where would YOU be?"

Joke # 6

Public toilet

Gary and Martin were standing at the urinals in a public lavatory, when Gary glanced over and noticed that Martin's penis was twisted like a corkscrew.

"Wow," Gary said. "I've never seen one like that before."

"Like what?" Martin said. "All twisted like a pig's tail," Gary said.

"Well, what's yours like?" Martin said.

"Straight, like normal," Gary said.

"I thought mine was normal until I saw yours," Martin said.

Gary finished what he was doing and started to give his old boy a shakedown prior to putting it back in his pants.

"What did you do that for?" Martin said.

"Shaking off the excess drops," Gary said. "Like normal."

"&%\$#@ !," Martin said. "And all these years I've been wringing it."

Joke # 7

Sabbatical

A priest took a sabbatical to a fishing lodge. On the last day of his trip, he hooked a monster fish and proceeded to reel it in. The guide, holding a net, yelled, "Look at the size of that Son of a Bitch!"

"Son, I'm a priest. Your language is uncalled for!" the priest said.

"No, Father," replied the guide, "that's what kind of fish it is. It's a Son of a Bitch fish!"

"Really? Well help me land this Son of a Bitch!" chimed the priest.

Once in the boat, they marveled at the monster. "Father, that is the biggest Son of a Bitch I've ever seen" said the guide.

"Yes, it is a big Son of a Bitch," replied the priest.

"What should I do with it?" asked the priest. "Why eat it, of course," answered the guide. "You've never tasted anything as good as that Son of a Bitch!"

Elated, the priest headed home to the church. While unloading his gear and his prize catch, Sister Mary inquired about his trip. "Take a look at this big Son of a Bitch I caught!" the priest said.

Sister Mary gasped and clutched her rosary. "Father!"

"It's OK Sister," said the priest, "that's what kind of fish it is. A Son of a Bitch fish!"

"Oh well, then, what are you going to do with that big Son of a Bitch?" asked Sister Mary.

"Why, eat it of course," answered the priest. "The guide said nothing compares to the taste of a Son of a Bitch."

The Sister informed the priest that the Pope was scheduled to visit in a few days and that they should fix the Son of a Bitch for dinner.

"I'll even clean the Son of a Bitch," she said. As she was cleaning the huge fish, the Friar walked in.

"What are you doing, Sister Mary?" asked the Friar.

"Father wants me to clean this big Son of a Bitch for the Pope's dinner," replied Sister Mary.

"Sister! I'll clean it if you're so upset! Please watch your language!" asked the Friar.

"No, no, no. It's called a Son of a Bitch fish - really!" claimed Sister Mary.

"Oh, well in that case, I'll fix up a great meal and that Son of a Bitch can be the main course!" replied the Friar.

"Let me know when you've finished cleaning that Son of a Bitch."

On the night of the Pope's visit, everything was perfect. The Friar had prepared an excellent meal, there was wine, and the fish was excellent.

The Pope said, "This is great fish, where did you get it?"

"I caught the Son of a Bitch!" proclaimed the proud priest. The Pope's eyes opened wide, but he said nothing.

"And I cleaned the Son of a Bitch!" exclaimed the sister. The Pope sat silent in disbelief.

And the Friar added, "And I prepared the Son of a Bitch, using a special recipe!"

The Pope looked at each of them. Slowly a big smile crept across his face, and he said, "You fuckers are alright!"

It almost tickled as his fingers started at her neck, and then began moving down past the small of her back. He then caressed her shoulders and neck, slowly worked his hand down, stopping just over her stomach.

He then proceeded to place his hand on her left inner arm, working down her side, passing gently over her buttock and down her leg to her calf.

Then, he proceeded up her thigh, stopping just at the uppermost portion of her leg. He continued in the same manner on her right side, then suddenly stopped, rolled over and became silent.

As she had become quite aroused by this caressing, she asked in a loving voice, 'Honey, that was wonderful. Why did you stop?'

The firefighters then held the blanket back up and the Chief told the redhead to jump.

"No way! I saw what you did to my friend." exclaimed the redhead.

"I am sorry," said the Chief, "My wife was a brunette and she divorced me. I just don't like brunettes. We have no problems with redheads.... jump it's your only chance."

So the redhead jumped. On the way down 'swoosh' the firefighters pulled the blanket away and she hit the pavement like a tomato!

The firefighters again held up the blanket and the Chief told the blonde to jump. The fire was getting worse and her only chance of survival was to jump.

"No I am not jumping. I saw what you did to my two friends."

"I'm sorry," said the Chief, "I explained what happened to the brunette and when the redhead jumped we were a little distracted. It will not happen again, just jump!"

The blonde thought for a moment. "OK I'll jump - but first I want you to lay the blanket on the ground, back away, and then I'll jump into it."

The Doctor considered his question for a minute and then began to tell a story. "I have an elderly friend, much like you, who is an avid hunter and never misses a season. One day he was setting off to go hunting. In a bit of a hurry, he accidentally picked up his walking cane instead of his gun. As he neared a lake, he came across a very large male beaver sitting at the water's edge. He realized he'd left his gun at home and so he couldn't shoot the magnificent creature. Out of habit he raised his cane, aimed it at the animal as if it were his favorite hunting rifle and went 'Bang Bang'."

"Incredibly, two shots rang out and the beaver fell over dead. Now, what do you think of that?" asked the Doctor.

The 86-year-old thought for a minute and said, "Logic would strongly suggest that somebody else pumped a couple of rounds into that beaver."

The Doctor replied, "My point exactly."

Joke # 7

Rules of Montana, Nevada, Wyoming, Idaho and The Wild West are as follows:

1. Pull your pants up. You look like an idiot.
2. Turn your cap right, your head ain't crooked.
3. Let's get this straight: it's called a "gravel road." I drive a pickup truck because I want to. No matter how slow you drive, you're gonna get dust on your Lexus. Drive it or get out of the way.
4. They are cattle. That's why they smell to you. They smell like money to us. Get over it. Don't like it? I-80 goes east and west, I-15 goes north and south. Pick one.
5. So you have a \$60,000 car. We're impressed. We have \$250,000 combines that are driven only 3 weeks a year.
6. Every person in the Wild West waves. It's called being friendly. Try to understand the concept.
7. If that cell phone rings while a bunch of geese/ pheasants/ducks/doves are comin' in during the hunts, we WILL shoot it outta your hand. You better hope you don't have it up to your ear at the time.
8. Yeah. We eat trout, salmon, deer and elk. You really want sushi and caviar you can get them at the bait store on the corner.
9. The "Opener" refers to the first day of deer season. It's a religious holiday held the closest Saturday to the first of November.
10. We open doors for women. That's applied to all women, regardless of age.
11. No, there's no "vegetarian special" on the menu. Order steak, or you can order the Chef's Salad and pick off the 2 pounds of ham & turkey.
12. When we fill out a table, there are three main dishes: meats, vegetables, and breads We use three spices: salt, pepper, and ketchup! Oh, yeah....We don't care what you folks in Cincinnati call that stuff you eat... IT AIN'T REAL CHILI!!
13. You bring "Coke" into my house, it better be brown, wet and served over ice. You bring "Mary Jane" into my house, she better be cute, know how to shoot, drive a truck, and have long hair.
14. College and High School Football is as important here as the Lakers and the Knicks, and a dang sight more fun to watch.
15. Yeah, we have golf courses. But don't hit the water hazards -- it spooks the fish.
16. Colleges? We have them all over. We have State Universities , Universities, and Vo-techs. They come outta there with an education plus a love for God and country, and they still wave at everybody when they come home for the holidays.

17. We have more folks in the Army, Navy, Air Force, and Marines than all of you put together, so don't mess with us. If you do, you'll get whipped by the best.
18. Turn down that blasted car stereo! That thumpity- thump crap ain't music, anyway. We don't want to hear it anymore than we want to see your boxers! Refer back to #1!
